## The Louisiana Seafood Bible: Fish Volume 2

By Jerald and Glenda Horst

*The definitive guide to Louisiana fish!*

This compendium of fish offers biological facts and scores of home-style recipes, as well as a guide to the state's edible fish. The Louisiana seafood industry—past and present—is discussed and a fascinating interview with the father of coastal Louisiana's modern finfishery is included.

**JERALD HORST** was a professor of fisheries at Louisiana State University for thirty years. He is a member of the Louisiana Chapter of the American Fisheries Society.

**GLEND A HORST** was born and raised in Bayou Sorrell, Louisiana, a small commercial fishing community on the edge of the Atchafalaya Basin. The daughter of a commercial fisherman, she learned the basics of Cajun cooking from her mother and enjoys passing them on.

## The Complete Guide to Northern Gulf Seafood

By Tom Bailey

Photography by Celeste Ward

*Delectable seafood dishes from the Gulf Coast!*

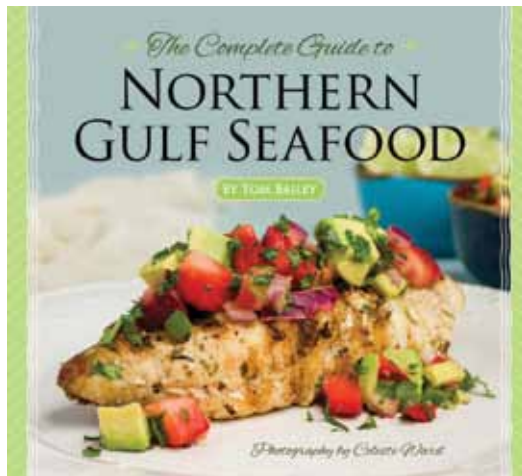

From shrimp to shark, this guide to the savory seafood of the northern Gulf will help you enjoy the catch of the day, whatever it may be. More than just a collection of recipes, this book provides directions for selecting, preparing, cleaning, and cooking edible species of fish and shellfish found

within the northern Gulf waters. Ranging from quick and easy favorites to gourmet delights, these recipes, paired with beautiful photographs of plated dishes, are sure to please even the most seasoned fisherman or novice cook.

**TOM BAILEY** is an avid sport fisherman. He has turned his passion into nine books about seafood and cooking, fishing in the Gulf of Mexico, diving, and beach combing.

**CELESTE WARD** is a food blogger and photographer and has been featured on the Cooking Channel website.
